

BERA  **POOL BASE**

Pool Protective Base

BERA[®]

BERA® Pool Base

To support your pool or jacuzzi you can now use our drainable lightweight sub-base. Made of durable, partially recycled (from maritime waste) and 100% recyclable expanded polypropylene, you can make the base for the pool really easy and fast.

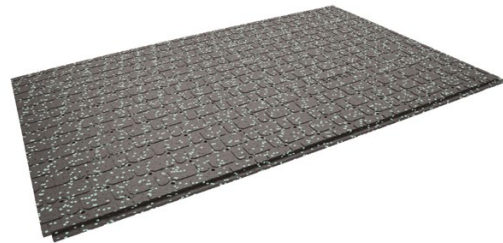

It will give your pool or jacuzzi the following benefits:

- Drainable basis;
- Reducing risks of puncture due to sharp object;
- Insulation against heat-transfer to soil;
- Soft and stable base for the pool;
- Omits or reduces the need for sand under the pool.
